

Ashtabula City Port Authority
2011 Lift Bridge Public Restroom Facility
January 3, 2011

Addendum II

- The amount of the bid and acknowledgement of the addenda should appear as the cover page(s) of the complete bid document. Company letterhead/company name should be used/appear on this cover page as well.
- The Port Authority will be following the same protocol as the City of Ashtabula does in terms of bonding. If the bid is awarded, it will then be transferred to a performance bond in the amount that has been requested in the instructions to the bidders, paragraph F. Both the bid bond and performance bond will be the same percentage. Bidders may utilize a bond form from their own bonding company.
